

Confidential Item Register

Section 90 of the Local Government Act 1999 details the provisions for when a Council or Committee may order that the public be excluded from attendance at a meeting for the purposes of receiving, discussing or considering in confidence information relevant to section 90(3) of the Act. The Council or Committee may also order that some or all of the documents associated with the item also be kept confidential. In the event that this occurs, the Council or Committee must also specify the duration of the order or the circumstances in which the order will cease to apply, or a period after which the order must be reviewed.

In some instances, the Council or Committee may delegate the power to revoke the order to an employee of the Council (such as the Chief Executive). In any event, in accordance with section 91(9) of the Local Government Act 1999, any order that operates for a period exceeding 12 months must be reviewed at least once in every year. There are no items being held in confidence from earlier than 2016. The Confidential Items Register was last reviewed by Council on **27 May 2019**. The next review will occur in **September 2019**.

Once a confidential item has been released, the report, appendices and minutes will be published separately under the corresponding meeting date on Council's Agenda and Minutes webpage.
