

**The issuing of this permit is subject to:**

1. The Applicant agrees to comply with the General Conditions set out in this Permit;
2. The Applicant agrees to comply with any Special Conditions which are set out in this Permit;
3. The Applicant will pay the prescribed fees set out in the City of Charles Sturts Fees and Charges Register;
4. The Applicant will provide a copy of all certificates which are required by either the General Conditions or Special Conditions of this Authorisation;
5. The Applicant is only Authorised in respect to the Activity as specified in this Authorisation.

**General Conditions****Non Transferable**

Permit is non transferable.

**Described Activity**

Permit is valid only for activity described on Permit.

**Dates and Times**

Permit is valid only for times and dates on Permit.

**Permit Inspection**

Permit must be made available for inspection upon request by an authorised officer or a police officer.

**Insurance**

The permit holder agrees to indemnify and to keep indemnified the Council its servants and agents and each of them from and against all actions, costs, claims, damages, charges and expenses whatsoever which may be brought or made or claimed against them or any of them arising out of or in relation to the issuing of the permit.

The permit holder shall take out and keep current a public risk insurance policy in the name of the permit holder insuring the permit holder for the minimum sum of ten million dollars (\$10,000,000) against all actions, costs, claims, damages, charges and expenses whatsoever which may be brought or made or claimed against the permit holder in relation to the activity.

The permit holder must provide confirmation of insurance to Council. Such a policy shall bear the endorsement of the Insurer indicating the Insurer accepts the indemnity given by the permit holder.

**The permit becomes immediately invalid if the permit holder ceases to have current public liability insurance as set out above.**

**Failure to Comply**

Failure to comply with any condition of the permit will result in the permit being revoked.

**Valid Area**

The permit is only valid for the area stipulated on the permit.

**Compliance with Other Legislative Requirements**

The permit holder must abide by all other State and Federal legislation. The issue of this permit does not absolve the permit holder or their agents from any other overriding legislation.

**Amendment to Conditions**

The permit conditions may be amended at any time by the issuing authority with or without consultation with the permit holder.

**Directions**

The issuing authority may add or remove directions to the permit in addition to conditions at any time. Failure to comply with a direction will be taken as failing to comply with a condition of the permit.

**Changes to the Activity**

Any changes to the approved activity contained on this permit must be with prior approval from the issuing authority. This may cause conditions to the permit to be altered. If this is the case a new permit will be issued.

**Changes to Circumstances Affecting Validity of Permit**

Any changes to circumstances that would affect the validity of the permit must be notified to the issuing authority within 14 days of the change. For example a change to ownership of a company would require notification.

## **Special Conditions**

### **Safety & Security**

The permit holder to take all safety and protective measures and to do all things necessary to prevent accidents or injury to persons, or damage to private property and public infrastructure;

The permit holder shall ensure that the area is adequately lit at night and that all appropriate barriers, barricades and warning devices are installed to protect the public. At a minimum, a flashing light at either extremity of the skip bin/container must be installed. Signage and devices must comply with Australian Standard AS1742 at all times;

The permit holder shall also ensure that the skip bin/shipping container does not obstruct the vision of motorists or obstruct the passage of pedestrians;

Nothing is permitted to protrude or extend outside of the skip bin/container;

It is the responsibility of the permit holder to ensure that any material, rubbish, etc dropped in the area is removed picked up and the area is left in a neat and tidy condition. Failure to do so may result in an expiation being issued for littering;

All materials must be securely placed in the skip bin/container to withstand adverse weather conditions;

Hazardous substances must not be placed in or around the skip bin/container.

### **Environmental Nuisance**

Activities carried out by persons operating under this permit must comply with the provisions of the Environment Protection Act 1993 in relation to environmental nuisances.

### **Services**

The placement of the skip bin/shipping container shall not interfere with or cause damage to or affect in any way any wire, post, cable, pipe or other item that is the property of ETSA, Telstra, SA Water, United Water, Origin Energy or other government department or authority or other infrastructure owner;

The provisions, which might apply in case of damage, injury, accident or interference to property under the control of service authorities for the supply of electricity, gas, telephone, water and sewerage, shall be adhered to;

If any such government department or authority requires the Council to direct the permit holder to remove, or otherwise alter the position of the bin, the permit holder shall forthwith comply with such direction at the cost to the permit holder.

### **Damage & Repairs**

The permit holder is responsible for all repairs, damage or rectification work to any footpath, road, service or public infrastructure resulting from the placement of the skip bin/shipping container.

### **Maximum Time Frame for a Valid Permit**

The permit duration is based on the number of days the skip bin/container is needed on site however the permit will only be issued for a maximum of 14 days.

### **Removal of Skip Bin/Container**

The skip bin/container must be removed by the expiry date. Should an extension of time be required, the permit holder must complete an application for renewal form at least 2 working days prior to the expiry date of the current permit. Failure to do so will require a new application form to be completed and payment of applicable fees.
