1. Purpose

The City of Charles Sturt is committed to assisting residential customers of recycled water services, who are experiencing financial hardship, to manage their payments in a manner that accommodates the customer's circumstances, and ensuring they remain connected to a retail service.

The purpose of this Policy is to identify residential customers who are experiencing payment difficulties due to hardship and assist those customers to better manage their bills on an ongoing basis.

This Policy sets out:

- I. Processes to identify residential customers experiencing payment difficulties due to hardship, including identification by us, self-identification by a residential customer, identification by an accredited financial counsellor, or welfare agency, and
- II. An outline of a range of processes or programs that we will use, or apply, to assist our customers who have been identified as experiencing payment difficulties

2. Background

This Policy is based on the customer hardship policy, made by the Minister for Communities and Social Inclusion, pursuant to section 37 of the Water Industry Act 2012, under a delegation by the Minister for Water and the River Murray, with modification. The modifications contained in this Policy have been approved by the Essential Services Commission of South Australia.

3. Policy Statement

3.1 Identifying Residential Customers Experiencing Financial Hardship

A residential customer experiencing financial hardship is someone who is identified by themselves, by Council, by an accredited financial counsellor, or by a welfare agency as having the intention, but not the financial capacity, to make required payments in accordance with our payment terms.

There are two types of financial hardship: ongoing and temporary. Depending on the type of hardship being experienced, hardship customers will have different needs and will require different solutions.

Residential customers that are identified as experiencing ongoing hardship are generally those on low or fixed incomes. These customers may require ongoing assistance.

Residential customers that may be identified as experiencing temporary hardship are those that have experienced a short-term change in circumstances, such as serious illness, disability or death in the family, loss or change in income, separation, divorce or other family crisis, a loss arising from an accident, or some other temporary financial difficulty. These customers generally require flexibility and temporary assistance, such as an extension of time to pay or an alternative payment arrangement.

The extent of hardship will be determined by either our assessment process or by an external body, such as an accredited financial counsellor.

Where assessing a residential customer's eligibility for hardship assistance, we will consider indicators including (but not limited to) whether:

- i. The customer is on a Centrelink income and holds a Pensioner Concession Card or holds a Centrelink Low Income Health Care Card
- ii. The customer is eligible for a South Australian Government concession
- iii. The customer has been referred by an accredited financial counsellor or welfare agency
- iv. The customer advises they have previously applied for emergency relief (irrespective of whether or not their application was successful)
- v. The customer's payment history indicates that they have had difficulty meeting their retail services bills in the past
- vi. The customer, through self-assessment, has identified their position regarding their ability to pay.

3.2 Assisting Residential Customers who are Experiencing Financial Hardship

We will inform a residential customer of this customer hardship policy where:

- i. It appears to us that non-payment of a bill for retail services is due to the customer experiencing payment difficulties due to hardship, or
- ii. We are proposing to install a flow restriction device.

Where a residential customer has been identified as experiencing financial hardship, we will offer the customer, as soon as is reasonably practicable, flexible and frequent payment options that have regard to the hardship customer's usage, capacity to pay and current financial situation. These options will include the following:

- i. An interest and fee free payment plan which complies with our payment plans
- ii. Centrelink's Centrepay service (where available), or
- iii. Other arrangement, under which the customer is given more time to pay a bill or to pay in arrears (including any disconnection or restriction charges).

Recognising that some residential customers have a short-term financial hardship issue which may be resolved in the near to medium-term, where others may require a different type of assistance for ongoing financial issues.

We will not charge a residential customer a reconnection charge where that customer is experiencing financial hardship and should have been identified as eligible for this customer hardship policy, so long as the customer agrees to participate in our hardship program, upon reconnection.

We will engage in discussion with the hardship customer to determine a realistic payment option in line with the customer's capacity to pay.

We will work with a hardship customer's financial counsellor to determine the payment arrangement and instalment amount that best suits the customer and their individual circumstances.

Where a hardship customer's circumstances change, we will work with the customer, and their financial counsellor, to re-negotiate their payment arrangement.

We will not require a hardship customer to provide a security deposit.

We will not restrict a hardship customer's retail service if:

- i. The customer has agreed to a payment arrangement and continues to adhere to the terms of that arrangement, or
- ii. We have failed to comply with the requirements of this customer hardship policy.

We will offer the hardship customer:

- i. Where appropriate, information about the right to have a bill redirected to a third person, as long as that third person consents in writing to that redirection.
- ii. Information about, and referral to, Commonwealth and South Australian Government concessions, rebates, grants and assistance programs.
- iii. Information about, and referral to, accredited financial and other relevant counselling and support services, particularly where a customer that is identified as experiencing ongoing financial hardship.

Where a hardship customer requests information or a redirection of their bills, we will provide that information or redirection free of charge.

We will provide information to the hardship customer on how to reduce usage and improve water efficiency, which may include referral to relevant government water efficiency programs. This will be provided at no charge to the customer.

We will explain to the hardship customer how and when the customer will be returned to regular billing cycles (and collection), after they have successfully completed the hardship program.

We will also explain to the hardship customer that they will be removed from our hardship program, and be returned to our standard collection cycles, including debt recovery, should they cease to make payments according to the agreed payment arrangement or fail to contact us for a period of greater than 90 days.

We will not take any action to remove a customer from our hardship program until we have sent the customer a written notice, allowing them 10 working days from the date of the notice to contact us to re-negotiate their re-entry into the program.

3.3 Retail Services Provided by Council

Council Services are made up of retail services (as defined in this policy) and non-retail services, for example refuse collection and parks and playgrounds.

If you are a residential customer in receipt of a retail service such as recycled water provided by Council and you are experiencing financial hardship, then only the retail supply of water will be subject to the terms of this hardship policy. All or any other sums that are due to the council for rates or non-retail services will be dealt with under the council's existing hardship policies.

3.4 Payment Plans

Our payment plan for a hardship customer will be established having regard to:

- I. The customer's capacity to pay and current financial situation
- II. Any arrears owing by the customer, and
- III. The customer's expected usage needs over the following 12 month period.

The payment plan will also include an offer for the hardship customer to pay for their retail services in advance or in arrears by instalment payments at a frequency agreed with the customer (e.g. weekly, fortnightly, monthly, or as otherwise agreed with the customer).

Where a payment plan is offered to a hardship customer, we will inform the customer in writing, within 10 business days of an agreement being reached, of:

- i. The duration of the plan
- ii. The amount of each instalment payable under the plan, the frequency of instalments and the date by which each instalment must be paid
- iii. If the customer is in arrears – the number of instalments to pay the arrears and
- iv. If the customer is to pay in advance – the basis on which instalments are calculated.

We will waive any fees for late payment of a bill for a hardship customer.

Where a hardship customer is seeking assistance in accordance with this policy but has failed to fulfil their obligations under an existing hardship arrangement, we may require them to sign up for Centrepay or direct debit deductions.

3.5 Debt Recovery

We will suspend debt recovery processes while negotiating a suitable payment arrangement with a hardship customer.

We will not engage in legal action or commence proceedings for the recovery of a debt relating to a retail service for a hardship customer if:

- i. The customer has agreed to a payment arrangement and continues to adhere to the terms of that arrangement, or
- ii. We have failed to comply with the requirements of this customer hardship policy.

3.7 General Provisions

We will ensure residential customers have equitable access to this customer hardship policy, and that this policy is applied consistently.

We will ensure appropriate training of staff dealing with residential customers in hardship to enable them to treat customers with respect and without making value judgements. Training will also assist staff in the early identification of hardship customers, with establishing payment plans based on a hardship customer's capacity to pay and include processes for referral to an accredited financial counsellor or welfare agency for assistance.

This customer hardship policy is available on our website www.charlessturt.sa.gov.au.

We will also make a copy of this policy available to a customer, upon request, and at no charge to the customer, as soon as practicable following a request to do so.

This customer hardship policy does not limit or prevent us from waiving any fee, charge or amount of arrears for the provision of retail services to customers who are experiencing financial hardship.

3.8 Confidentiality

Any information disclosed by a customer is confidential and will not be used for any purpose other than the assessment of an application for assistance.

3.9 Complaints Handling

Details of our customer complaints and dispute resolution process are available at our website www.charlessturt.sa.gov.au. We will also make a copy of this process available to a residential customer, upon request, and at no charge to the customer.
