

Local Equipment Suppliers

Note: This list of suppliers is intended as a guide only containing businesses that have expressed their desire to be included as supplying the products mentioned. Other suppliers of similar goods can be found in the Yellow Pages.

While Council endeavours to ensure that the information supplied is correct, its Officers and Employees make no representations, either expressed or implied, as to the accuracy of the information or data contained which is also subject to change without notice and makes no warranties or guarantees of the material or content (including third party products or services) contained within this list.

Further, persons who obtain the services of the suppliers herein do so at their own risk. The Council accepts no liability for loss, damage and injury whatsoever which may be brought or made or claimed against it or any of its services or agents arising out of or in relation to the use of this list.
