## 1. Purpose

Banners are provided and available for promotional use by organisations and events based or operating within the City of Charles Sturt, to promote community events within the Council area and for use by the Council in informing and communicating with its community.

Banner frames are located at intervals along both sides of Port Road with an additional location at Henley Beach (adjacent the Library).

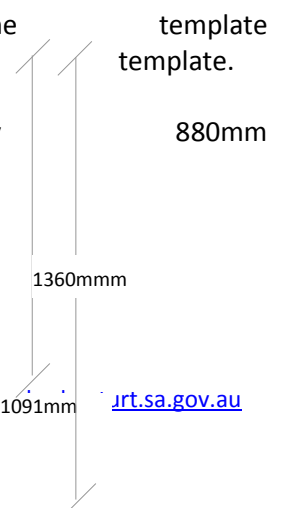

The location of the banner sites is recorded on Council’s E-view system and is available on the Charles Sturt website at [www.charlessturt.sa.gov.au](http://www.charlessturt.sa.gov.au).

## 2. Banner Specifications

Banners should be manufactured to the specifications and image provided below:

Council provides these banners at a discounted rate for community events therefore the below is to be used. This includes including the diamond and logo image as outlined on the

This means that the black section is the available space for your artwork (3000mm wide by high). Please also note the approval process below re artwork.

Banner specifications:

- Dimensions: 3010mm w x 1360mm h

- Measurements are taken from external of Keder Tracking System, use 7.5mm Keder rod

- Template space available for text / image (black section) for customers: 2970mm w x 1090mm h
- All banners must have the diamonds and the council logo as outlined in the above image. Artwork is available from Council and should be integrated into the final artwork submitted for approval.
- Provide for a 10mm bleed clearance around any artwork

### 3. Procedure

All enquiries about banners and booking banner frame space are to be directed to the Executive Assistant, Corporate Services, Brenda Julian 8408 1213.

All applications must be completed using the banner application form. Available from [www.charlessturt.sa.gov.au](http://www.charlessturt.sa.gov.au) or by contacting the Executive Assistant, Corporate Services, Brenda Julian on 8408 1213.

*The City of Charles Sturt will supply the footer graphic to the applicant to assist in the production of the banner.*

The conditions for the approval of a banner application are:

1. All banner design artwork must be provided to Council for approval prior to printing.
2. Banners must not be offensive or discriminatory in any way and must be appropriate for the location and public display. Assessment of this shall be at the Councils discretion.
3. The supply of the banner and the design of the banner is the responsibility of the applicant. Council is able to recommend a banner production company as a preferred supplier if required. Contact the Executive Assistant, Corporate Services for referral.
4. The banner will be removed by Council staff if it is damaged by wind, it is in poor condition or it is vandalised, it will be the responsibility of the applicant to repair/replace the banner.
5. The completed banner ready for installation is to be delivered to the Civic Centre, 72 Woodville Rd Woodville and addressed to the Executive Assistant, Corporate Services.
6. Removed banners can be collected from the Civic Centre, Woodville Rd Woodville, within 14 days of being advised of the removal from the frame. Banners not collected may be disposed of.
7. Banners will be displayed for no more than three months.
8. Council may rotate banners between locations to keep a fresh appearance and to manage the variety of banners at any one time.

9. Banners are for the use of not for profit organisations operating within the City of Charles Sturt or community/sporting events taking place within the City of Charles Sturt. ( A non-profit organisation is an organisation that is not operating for the profit or gain (either direct or indirect) of its individual members)
10. Programs/events sponsored by Government or private enterprise may carry logos reflecting this but they shall be minor and discreet. They shall not be a principal part of any banner message.

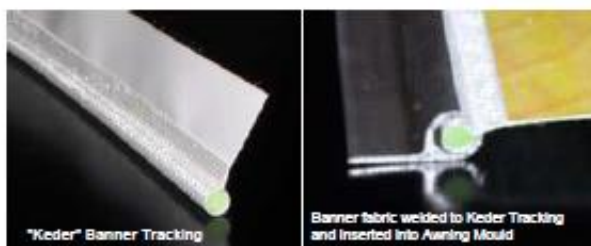

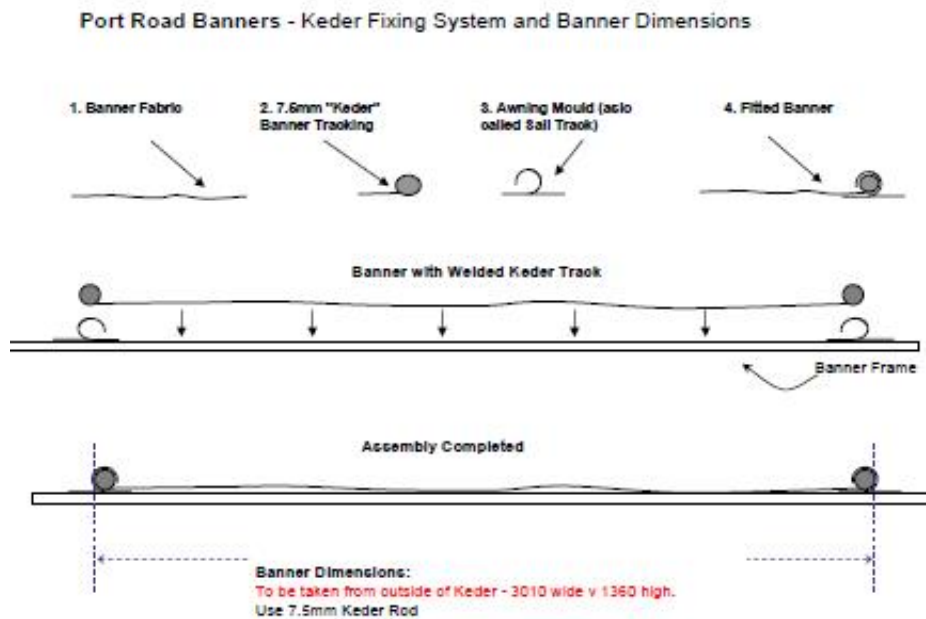

## 4. Fees

### Banner placement fees are:

- \$80 for up to 3 Months

## 5. Attachments

- Kedar Tracking System – assembly detail
- Banner Frame Application Form
- E-view map of banner frame locations Port Road

**Assembly / Manufacture Process:**  
The Banner fabric is welded to the Kedar banner tracking which can then be inserted into the Awning Mouldings which are attached to the Banner Frames
