1. Purpose

   It is the policy of the City of Charles Sturt that a rebate of rates in respect of any rateable land in the Council area will be available only when the applicant satisfies the requirements under the Local Government Act 1999 and, where appropriate, the requirements of this policy. The Local Government Act 1999 ("the Act") sets out at Chapter 10, Division 5 (Sections 159 to 166) those provisions applicable to the Council granting a rebate of rates to persons or bodies.

2. Scope

   This policy is intended to provide guidance to the community as to the grounds upon which a person or body is, or may be, entitled to receive a rebate of rates and the matters that the Council will take into account in deciding an application for a rebate.
3. **Policy Statement**

The Council has decided to adopt a policy to assist it in its decision-making functions relative to the operation of the rate rebate provisions contained in the Act.

In accordance with the rebate provisions contained in the Act, this policy sets out the type of use in respect of land which the Council must grant a rebate of rates and the amount that rebate must be, and those types of land use where the Council has discretion to grant a rebate of rates.

3.1 **Local Government Act 1999**

3.1.1 Section 159 (3) of the Act provides that the Council may grant a rebate of rates under the Act if it is satisfied that it is appropriate to do so.

3.1.2 The Act provides for a mandatory rebate of rates in specified cases and the amount of that mandatory rebate (see clause 3 below).

3.1.3 The Act also provides that where the Council must grant a rebate of rates under the Act, and the amount of that rebate if fixed by the Act at less than 100%, the Council may increase the amount of the rebate.

3.1.4 The Act provides, at Section 166, for the Council to provide a discretionary rebate of rates in the cases set out in that Section.

3.2 **Mandatory Rebates**

3.2.1 The Council must grant a rebate in the amount specified in respect of those land uses which the Act provides will be granted a rebate.

3.2.2 Rates on the following land will be rebated at **100%**:

(a) **Health Services**

Land being predominantly used for service delivery or administration by a hospital or health centre incorporated under the South Australia Health Commission Act 1976;

(b) **Religious Purposes**

Land containing a church or other building used for public worship (and any grounds), or land solely used for religious purposes;

(c) **Public Cemeteries**

Land being used for the purposes of a public cemetery;

(d) **Royal Zoological Society of SA**

Land (other than land used as domestic premises) owned by, or under the care, control and management of, the Royal Zoological Society of South Australia Incorporated.
3.2.3 Rates on the following land will be rebated at 75%:

(a) **Community Services**

Land being predominantly used for service delivery or administration (or both) by a community services organisation. A “community services organisation” is defined in the Act as a body that:

- is incorporated on a not for profit basis for the benefit of the public; and
- provides community services without charge or for a charge that is below the cost to the body of providing the services; and
- does not restrict its services to persons who are members of the body.

It is necessary for a community services organisation to satisfy all of the above criteria to be entitled to the mandatory 75% rebate.

The Act further provides that eligibility for a rebate by a community services organisation is subject to it providing one or more of the following community services –

- emergency accommodation;
- food or clothing for disadvantaged persons (i.e., persons who are disadvantaged by reason of poverty, illness, frailty, or mental, intellectual or physical disability);
- supported accommodation (i.e., residential care facilities in receipt of Commonwealth funding or accommodation for persons with mental health, intellectual, physical or other difficulties who require support in order to live an independent life);
- essential services, or employment support, for persons with mental health disabilities, or with intellectual or physical disabilities;
- legal services for disadvantaged persons;
- drug or alcohol rehabilitation services; or
- the conduct of research into, or the provision of community education about, diseases or illnesses, or the provision of palliative care to persons who suffer from diseases or illnesses.

3.2.4 **Educational Purposes**

- Land occupied by a government school under a lease or licence and being used for educational purposes; or
- Land occupied by a non-government school registered under Part 5 of the Education Act 1972 and being used for educational purposes; or
- Land being used by a University or University College to provide accommodation and other forms of support for students on a not for profit basis.
3.2.5 Where the Council is satisfied from its own records or from other sources that a person or body meets the necessary criteria for a mandatory 100% or 75% rebate, the Council will grant the rebate of its own initiative. Where the Council is not so satisfied it will require the person or body to apply for the rebate in accordance with clause 3.4.2 of this policy.

3.2.6 Where a person or body is entitled to a rebate of 75% the Council may, pursuant to Section 159 (4) of the Act, increase the rebate up to a further 25%. The Council may grant the further 25% rebate upon application or on its own initiative. In either case the Council will take into account those matters set out at clause 3.3 of this Policy.

3.2.7 Where an application is made to the Council for a rebate of up to a further 25% the application will be made in accordance with clause 3.4.2 of this policy and the Council will provide written notice to the applicant of its determination of that application.

3.3 Discretionary Rebates

3.3.1 The Council may in its absolute discretion grant a rebate of rates or service charges in any of the following cases pursuant to Section 166 of the Act –

(a) where it is desirable for the purpose of securing the proper development of the area (or a part of the area);

(b) where it is desirable for the purpose of assisting or supporting a business in its area;

(c) where it will be conducive to the preservation of buildings or places of historic significance;

(j) where the land is being used by an organisation which, in the opinion of the Council, provides a benefit or service to the local community;

(k) where the rebate relates to common property or land vested in a community corporation under the Community Titles Act 1996 over which the public has a free and unrestricted right of access and enjoyment;
(l) where the rebate is considered by the Council to be appropriate to provide relief against what would otherwise amount to a substantial change in rates payable due to a redistribution of the rates burden within the community arising from a change to the basis or structure of the council rates or a change to the basis on which land is valued for the purpose of rating, rapid changes in valuations, or anomalies in valuations.

(m) where the rebate is considered by council to be appropriate to provide relief in order to avoid what would otherwise constitute a liability to pay a rate or charge that is inconsistent with the liabilities that were anticipated by the council in its annual business plan or a liability that is unfair or unreasonable;

(n) where the rebate is to give effect to a review of a decision of the council under Chapter 13 part 2 (section 270 to 271)

(o) where the rebate is contemplated under another provision of the Local Government Act 1999

3.3.2 The Council may grant a rebate of rates up to and including 100% of the relevant rates or service charges. However to ensure all ratepayers contribute an amount towards basic service provision the maximum discretionary rebate will be 75%.

3.3.3 The Council has an absolute discretion –
(a) to grant a rebate of rates or service charges in the above cases; and
(b) to determine the amount of any such rebate.

The Council reserves the right to refuse to consider applications received after that date. However, applicants which satisfy the criteria for a mandatory rebate will be granted the rebate at any time.
