

CLIMBERS

- bower spinach** *Tetragonia implexicoma* 🦋🌿
Climber. Fleshy leaf. Yellow flower.
- native lilac** *Hardenbergia violacea* 🦋🌿
Climber. Beautiful sprays of royal purple pea flowers.
- old mans beard** *Clematis microphylla* 🦋🌿
Climber. Seeds have feathery awns.
- sweet appleberry** *Billardiera cymosa* 🦋🌿
Climber. Purple-blue flower. Distinctive fruit.

GRASSES AND SEDGES

- bare twig rush** *Baumea juncea*
Wetland rush to waist high. Blue grey leaves.
- black anther flax lily** *Dianella revoluta* 🦋🌿
Rush to waist high. Lilac lily flower.
- bottlewasher** *Enneapogon nigricans*
Tufting grass to knee high.
- bulbine-lily** *Bulbine bulbosa* 🦋🌿
Lily to knee high. Clusters of yellow star flowers.
- chaffy saw sedge** *Gahnia filum* 🦋🌿
Wetland sedge to waist high. Brown seed heads.
- chocolate lily** *Arthropodium spp.* 🦋🌿
Lily to knee high. Flowers have chocolate smell.
- coast tussock grass** *Poa poiformis* 🦋🌿
Tussock grass to knee high. Fountain shaped habit.
- common spike rush** *Eleocharis acuta*
Wetland sedge to knee high.
- curly windmill grass** *Enteropogon acicularis*
Grass to shin high. Has windmill shaped seed heads.
- finger rush** *Juncus subsecundus* 🌿
Wetland sedge to waist high. Blue grey leaves.
- flat sedge** *Cyperus vaginatus* 🦋🌿
Wetland sedge to waist high.
- garland lily** *Calostemma purpureum* 🦋🌿
Lily to knee high. Beautiful red trumpet flowers.
- kangaroo grass** *Themeda triandra* 🦋🌿
Grass to waist high. Prominent russet seed heads.
- knobby club rush** *Isolepis nodosa* 🌿
Sedge to waist high. Distinctive knob-like seed heads.
- milkmaids** *Burchardia umbellata* 🦋🌿
Lily to knee high. Umbrella shaped flower.
- pale rush** *Juncus pallidus* 🌿
Wetland sedge to waist high.
- pointed mat-rush** *Lomandra densiflora* 🦋🌿
Clumping rush to knee high.
- scented grass** *Cymbopogon ambiguus* 🦋🌿
Tussock grass to waist high. Native lemon grass.
- sea rush** *Juncus kraussii* 🌿
Wetland sedge to waist high. Dark green leaves.
- sedge** *Carex tereticaulis* 🌿
Wetland sedge to waist high.
- silky blue grass** *Dicantheum sericeum*
Grass to knee high.
- small stemmed flax lily** *Dianella brevicaulis* 🦋🌿
Rush to waist high. Lilac lily flower.
- spear grass** *Austrostipa spp.* 🦋🌿
Grass to waist high.

- spiny flat sedge** *Cyperus gymnocaulos* 🌿
Wetland sedge to waist high.
- stiff mat rush** *Lomandra multiflora* 🦋🌿
Sedge to knee high. Blue grey strap like leaves.
- tussock grass** *Poa labillardierei* 🦋🌿
Tussock grass to waist high. Impressive fanning habit.
- wallaby grass** *Austrodanthonia spp.* 🦋🌿
Grass to knee high. Fluffy seed heads.
- windmill grass** *Chloris truncata*
Grass to knee high. Has windmill shaped seed heads.
- yacca** *Xanthorrhoea spp.* 🦋🌿
Grass tree. Iconic Australian native plant.

**Provenance Indigenous Plants
can supply a wide range of trees,
shrubs, groundcovers, climbers
and wetland plants.**

**All are indigenous to the Adelaide
area having thrived in this region
for thousands of years.**

**Our plants are grown in full sun,
and raised from locally collected seeds
or cuttings, and so are perfectly
adapted to our local climate and soils.**

**Once established they should
require little watering or
maintenance, and will form an
attractive part of any garden.
Their use will help to preserve
the natural vegetation of the Adelaide
region of which only 6% remains.**

Tubestock : \$3.00 each

TREES

- blackwood** *Acacia melanoxylon* 🦋🦎
Tree to 15m high. Cream coloured wattle ball flowers.
- coastal white mallee gum** *Eucalyptus diversifolia* 🦋
Tree to 4m high. White flowers.
- cup gum** *Eucalyptus cosmophylla* 🦋
Tree to 5m high. White flowers.
- drooping sheoak** *Allocasuarina verticillata* 🦋🦎
Tree to 9m high. Needle like leaves. Cone like fruits.
- golden wattle** *Acacia pycnantha* 🦋🦋🦎
Tree to 5m high. Australias floral emblem.
- kangaroo honey myrtle** *Melaleuca halmaturorum* 🦋🦎
Tree to 5m high. White papery bark. Cream flowers.
- K I narrow-leaved mallee** *Eucalyptus cnerifolia* 🦋
Tree to 5m high. White flowers.
- mallee box** *Eucalyptus porosa* 🦋
Tree to 10m high. White flowers.
- moonah** *Melaleuca lanceolata* 🦎
Tree to 8m high. White flowers.
- native apricot** *Pittosporum angustifolium* 🦎
Tree to 8m high. Apricot coloured fruit.
- native pine** *Callitris gracilis* 🦎
Tree to 10m high. Formal upright conifer.
- native willow** *Acacia salacina* 🦋🦎
Tree to 6m high. Long willow-like drooping branches.
- river red gum** *Eucalyptus camaldulensis* 🦋🦎
Tree to 20m high. White flowers.
- SA blue gum** *Eucalyptus leucoxylon* 🦋🦎
Tree to 30m high. White flowers.
- silver banksia** *Banksia marginata* 🦋🦎
Tree 2-5m high. Yellow flowers.
- white mallee** *Eucalyptus dumosa* 🦋
Tree to 6m high. White flowers.

LARGE SHRUBS

- Australian hollyhock** *Malva behriana* 🦎
Spreading shrub to 2m high. White flowers
- beaked hakea** *Hakea rostrata*
Shrub 1-4m high. Good bird and lizard refuge.
- Christmas bush** *Bursaria spinosa* 🦋🦎
Shrub to head high. White perfumed flowers in summer.
- coastal saltbush** *Atriplex cinerea* 🦋🦋🦎
Spreading shrub to 2m high. Silver-grey leaves.
- coastal wattle** *Acacia sophorae* 🦋🦎
Spreading shrub to head high. Yellow needle-like flowers.
- coast bitterbush** *Adriana quadripitata* 🦋
Shrub to 2m high. Dark green glossy leaves.
- coast boobialla** *Myoporum insulare* 🦋🦋🦎
Shrub 1-6m high. Hardy coastal shrub.
- coast daisy bush** *Olearia axillaris* 🦋
Shrub to head high. Silvery white leaves.
- dwarf hakea** *Hakea rugosa*
Shrub to 1-2m high. Good bird and lizard refuge.
- elegant wattle** *Acacia victoriae* 🦋🦋🦎
Shrub to 3m high. Blue-green leaves.
- gold dust wattle** *Acacia acinacea* 🦋
Shrub to 2m high. Rounded leaves.

- hakea** *Hakea carinata* 🦋
Shrub to 3m high. Cream flowers.
- heath tea-tree** *Leptospermum myrsinoides* 🦋
Shrub to waist high. Excellent refuge for birds.
- hop goodenia** *Goodenia ovata* 🦋
Shrub to head high. Yellow flowers.
- kangaroo bush** *Acacia paradoxa* 🦋🦎
Shrub to 3m high. Important bird habitat.
- large-leaved bush-pea** *Pultenaea daphnoides* 🦋
Shrub 1-3m high. Attracts birds and insects.
- mallee honey-myrtle** *Melaleuca brevifolia*
Shrub 1-3m high. White flowers.
- myrtle wattle** *Acacia myrtifolia*
Shrub 1-3m high. Yellow flowers.
- native juniper** *Myoporum insulare* 🦋🦎
Spreading shrub to 4m high. White flowers.
- native scurf pea** *Cullen australasicum* 🦋
Shrub to 2m high. Long spike of lilac pea flowers.
- notable wattle** *Acacia notabilis* 🦋
Shrub to 3m high. Large bright yellow flower balls.
- prickly tea-tree** *Leptospermum continentale*
Shrub to 1-3m high. 'Manuka' honey species. 🦋🦎
- punty bush** *Senna artemisioides* 🦋🦎
Shrub to 3m high. Yellow flowers.
- river bottlebrush** *Callistemon sieben* 🦋
Shrub to 3m high. Creamy white flowers.
- scarlet bottlebrush** *Callistemon rugulosus* 🦋
Shrub to 3m high. Red flower.
- slaty sheoak** *Allocasuarina muelleriana*
Shrub 1-4m high. Reddish brown small flowers along leaves.
- sticky boobialla** *Myoporum viscosum* 🦋
Shrub to 2m high. White flowers.
- sticky hop bush** *Dodonaea viscosa* 🦎
Shrub to 3m high. Reddish winged fruits.
- twiggy bush-pea** *Pultenaea largiflorens* 🦋
Shrub to 0.7m high. Masses of yellow pea flowers.
- twiggy daisy bush** *Olearia ramulosa* 🦋
Shrub to 2m high. Aromatic leaves.
- umbrella bush** *Acacia ligulata/cupularis* 🦋🦎
Shrub to 3m high. Yellow wattle ball flowers.

SMALL SHRUBS

- button everlasting** *Helichrysum scorpioides* 🦋
Shrub to knee high. Yellow paper flowers.
- clasping goodenia** *Goodenia amplexans* 🦋
Shrub to knee high. Yellow flowers. Spicy smelling leaves.
- common bluebell** *Wahlenbergia stricta* 🦋
Shrub to knee high. Blue star flowers.
- common everlasting** *Helichrysum apiculatum* 🦋
Shrub to knee high. Bright yellow button flowers.
- cushion bush** *Leucophyta brownii*
Shrub to waist high. Distinctive white net-like foliage.
- cushion fanflower** *Scaevola crassifolia* 🦋
Shrub to waist high. Blue flowers.
- common everlasting** *Helichrysum apiculatum* 🦋
Shrub to knee high. Bright yellow button flowers.
- drumsticks** *Pycnosorus globosus*

- Shrub to knee high. Brilliant yellow globular flowers.
- fragrant saltbush** *Rhagodia parabolica* 🦋
Shrub to waist high. Small raspberry-red berries.
- heathy bluebush** *Maireana oppositifolia*
Shrub to waist high. Blue grey clustered leaves.
- lemon beauty-heads** *Calocephalus citreus* 🦋
Shrub to knee high. Yellow flowers.
- mallee bush pea** *Eutaxia microphylla* 🦋
Shrub to knee high. Yellow pea flowers.
- marsh saltbush** *Atriplex paludosa* 🦋
Spreading shrub to knee high. Blue grey leaves.
- native flax** *Linum marginale* 🦋🦎
Shrub to knee high. Prominent blue flowers.
- native fuschia** *Correa reflexa*
Shrub to waist high. Pale green to red fuschia flowers.
- native pelargonium** *Pelargonium australe* 🦋🦎
Shrub to knee high. Red-flecked pale pink flowers.
- New Holland daisy** *Vittadinia* spp. 🦋
Shrub to knee high. Purple-blue daisy flowers.
- pussy tails** *Ptilotus spathulatus* 🦋
Shrub to knee high. Long 'pussy-tail' flowers.
- ruby saltbush** *Enchylaena tomentosa* 🦋🦎
Shrub to knee high. Fruits yellow, orange, hot pink or red.
- scrambled eggs** *Goodenia pinnatifida* 🦋
Forb to shin high. Yellow flowers.
- seaberry saltbush** *Rhagodia candolleana* 🦋🦋🦎
Shrub to waist high. Small deep red berries in dense clusters.
- small leaved bluebush** *Maireana brevifolia*
Shrub to waist high. Leaves green to red.
- Southern lotus** *Lotus australis* 🦋
Shrub to waist high. Massed white-pinked pea flowers.
- sticky goodenia** *Goodenia varia* 🦋
Shrub to knee high. Ovate leaf. Yellow flower.
- variable groundsel** *Senecio pinnatifolius* 🦋
Shrub to knee high. Yellow flowers. Coastal.
- white goodenia** *Goodenia albiflora* 🦋
Shrub to knee high. Blue-green leaf. White flower.

GROUNDCOVERS

- berry saltbush** *Atriplex semibaccata* 🦋🦋🦎
Groundcover. Red berries.
- climbing saltbush** *Einadia nutans* 🦋
Groundcover/climber. Lance shape leaves.
- coast bonefruit** *Threlkeldia diffusa*
Groundcover. Leaves green turning to red.
- creeping boobialla** *Myoporum parvifolium* 🦋
Groundcover. White flowers.
- karkalla** *Carpobrotus rossii* 🦋🦎
Groundcover. Showy purple daisy-like flowers.
- muntries** *Kunzea pomifera* 🦋🦋🦎
Groundcover. Attractive white cluster flowers.
- rough halganian** *Halgania cyanea*
Groundcover. Eye-catching deep blue flowers.
- round noonflower** *Disphyma crassifolium*
Groundcover. Purple daisy-like flowers.
- running postman** *Kennedia prostrata* 🦋🦎
Groundcover. Brilliant red prominent pea flowers.
- tar bush** *Eremophila glabra* Groundcover.
Red fuchsia flowers.
