General description of the land

Kevin Taylor Reserve is an open space area of high visual and design interest, that is shown in the 'Site Map' of this Community Land Management Plan. The Reserve and land parcel (except for any part of the land, where relevant, that is subject to any lease/licence as granted by Council in accordance with Section 202 of the Local Government Act) is categorised as Local Open Space and Landscape Park in the Types and Hierarchy explained in Community Land Management Plans – An introduction.

Purpose for which the land is held

The Council holds this land for the primary purpose of providing connected open space with facilities for community use and enjoyment and providing spaces that may be utilised from time to time for complementary business purposes. The Council also holds this land for secondary purposes associated with addressing environmental, urban design, heritage and stormwater management needs (in no particular order of precedence).

Lease or Licence Permissions

Council may grant or renew a lease and/or licence over any part or parts of Kevin Taylor Reserve.

Any lease or licence granted or proposed to be granted must be consistent with the uses and purposes for which Council holds the Reserve, and its objectives for the Reserve, as outlined in this Community Land Management Plan. They may be issued to various business, recreation, social or community clubs or groups for the use of open space whose activities cater for the local community.

The Council may grant leases and licences of any length, and on any terms, to organisations established for recreation, social and/or community purposes over any land to which this Community Land Management Plan relates.

Council may grant window awning encroachment permissions and licences to Community Corporations of adjoining multilevel residential units located at 14 Sixth Street for timeframes permitted under the Local Government Act 1999 and for purposes pertaining to urban design.

Council may issue a licence and/or permit to allow access over the Reserve, or to allow for an activity of a short-term nature. Uses of the land prohibited by Council by laws without approval or uses not identified in this management plan may be approved in relation to the Reserve for instances such as, but not limited to, access to adjoining properties during building construction work.

Council may issue an authorisation for short term commercial activities under Section 200 of the Local Government Act 1999. Authorised activities must be consistent with the purposes for which the Reserve is held. Approvals may be given on conditions the Council considers appropriate.

An example of activities Council considers relevant to the purposes of the Reserve when considering lease, licence, authorisation or permit requests are (without limitation)

- Small scale community activities and/or services catering to all ages and cultural groups ie biodiversity and nature groups, child play groups etc.
- Activities of a passive nature that promote a healthy active lifestyle e. tai chi, yoga etc.
- Small family celebratory events.

Permits, licences or easements may be granted by Council to public service provider authorities, within delegations of a relevant Act, for the purposes of provision of electricity, gas, water, internet and telecommunications service (except for above ground telecommunications towers).

Management Objectives for the land (in no particular order of precedence)

- To provide a connected network of open space areas within the suburb that facilitates and encourages community use and pedestrian and bike access/movement.
- To provide facilities relevant to the uses of the reserve for the enjoyment of the public.
- To address specific environmental, heritage and urban design objectives.
- To utilise a portion of Kevin Taylor Reserve for stormwater management purposes if necessary.

Proposal for managing the land

The management of Kevin Taylor Reserve is to be consistent with the descriptions and guiding principles for use and development identified in Local Open Space Hierarchy and Landscape Park Open Space type described in Community Land Management Plans – An introduction.

Performance Objectives, Targets and Measures for the land

The performance objectives, targets and measures for Kevin Taylor Reserve are outlined below. They do not indicate an order of hierarchy or priority.

Performance Targets	Performance Measures
To develop and pursue opportunities for optimal/shared use of open space and facilities to accommodate pedestrian and bike movement through a connected open space network within the suburb.	Increased visitation and use of Council's open space areas and facilities as measured by an audit of Council's customer feedback platforms, transport movement studies and customer surveys as conducted from time to time and reported to Asset Management Committee.
To develop open space areas and facilities that support the community uses of the land (including but not limited to facilities such as seating, shade, shelter, lighting, paths, fencing, amenities, art works and cultural heritage references etc.).	Increased community satisfaction with, and use of, Council's open space areas and recreational facilities measured by an audit of customer feedback platforms, issued permits, registers and customer surveys as conducted from time to time and reported to Asset Management Committee.
Renew/upgrade landscaped areas, public amenities and associated infrastructure as outlined in the relevant Asset Management Plan	Completed works reported to Asset Management Committee.
Provide a safe environment for visitors and used of the Reserve.	Reduction in security incidents reported to Council as measured by an audit of Council's customer feedback platforms as conducted from time to time.
