### General description of the lands

Jubilee Reserve is a collective group of community land parcels that together form the Reserve as shown in the 'Site Map' of this Community Land Management Plan. The Reserve is a prominent indoor/outdoor sporting and recreational facility providing a variety of structured, formal and informal recreational and sporting activity opportunities for use and enjoyment by the community, sporting clubs and community groups.

The Reserve and all land parcels contained within the Reserve (except for any part of the land, where relevant, that is subject to any lease/licence as granted by Council in accordance with Section 202 of the Local Government Act) is categorised as Regional Open Space and Sportsground in the Types and Hierarchy explained in Community Land Management Plans – An introduction.

### **Purpose for which the land is held**

The Council holds these lands for the primary purpose of providing open space, sporting, recreation and community facilities and services for community use and spaces that may be utilised for complementary business purposes. The Council also holds these lands for secondary purposes associated with addressing environmental, urban design, heritage and stormwater management needs (in no particular order of precedence).

### **Lease or Licence Permissions**

Council may grant or renew leases and/or licences over any part or parts of Lot 94 within the Reserve. Council may grant or renew leases and/or licences over any part or parts of Lot 499 subject to the consent of the Minister for Environment and Water (if necessary), for recreation purposes (Lot 499) and to ensure consistency with Sec 22 of the Crown Land Management Act 2009.

Any lease or licence granted or proposed to be granted must be consistent with the uses and purposes for which the Council holds the Reserve, and its objectives for the Reserve, as outlined in this Community Land Management Plan. They may be issued to various sporting, recreation, business, commercial, social or community clubs or groups for the use of buildings or any other open space within the Reserve whose activities cater for the local or broader community.

The Council may grant leases and licences of any length, and on any terms, to organisations established for sporting, recreation, social and/or community purposes over any land and/or buildings to which this Community Land Management Plan relates.

Council may issue a licence and/or permit to allow access over the Reserve, or to allow for an activity of a short-term nature. Uses of the land prohibited by Council by laws without approval or uses not identified in this management plan may be approved in relation to the Reserve for instances such as, but not limited to, access to adjoining properties during building construction work.

Council may issue an authorisation for commercial activities under Section 200 of the Local Government Act 1999. Authorised activities must be consistent with the purposes for which the Reserve is held. Approvals may be given on conditions the Council considers appropriate.

An example of activities Council considers relevant to the purposes of the Reserve when considering lease, licence, authorisation or permit requests are (without limitation)

- Passive and active sporting activities, events and competitions.
- Community and recreational activities and/or services catering to all ages and cultural groups.
- Fundraising, educational and community awareness events that support cultural diversity, health, fitness and general community wellbeing.

Permits, licences or easements\* may be granted by Council to public service provider authorities, within delegations of a relevant Act, for the purposes of provision of electricity, gas, water, internet and telecommunications services (except for above ground telecommunications towers).

\*Easements may only be issued for Lot 94. Any easement for Lot 499 must be granted by the Minister for Environment and Water.

**Management Objectives for the lands** (in no particular order of precedence)

- To provide high quality indoor/outdoor sporting facilities and open space areas, and services from those areas and facilities, that encourage participation in, and facilitate, sporting, recreational, cultural and community pursuits and to seek to maximise the use of the lands and their facilities for these purposes.
- To support and encourage sporting clubs to provide the community opportunities for sporting and recreational activities.
- To facilitate occupation of any part of the open space areas or buildings by sporting clubs/groups, community clubs/groups or businesses for community and sporting purposes as set out in any licence/lease/permit granted by the Council
- To address specific environmental, heritage and urban design objectives.
- To utilise a portion of the open space area of the Reserve for stormwater management purposes if necessary.

**Proposal for managing the lands**

The management of Jubilee Reserve is to be consistent with the descriptions and guiding principles for use and development identified in District Open Space Hierarchy and Sportsground Open Space Type described in Community Land Management Plans – An introduction.

**Performance Targets and Measures for the lands**
