### General description of the lands

M J McInerney Reserve is a collective group of land parcels that together form the Reserve as shown in the 'Site Map' of this Community Land Management Plan. The Reserve and all land parcels contained within the Reserve (except for any part of the land, where relevant, that is subject to any lease/licence as granted by Council in accordance with Section 202 of the Local Government Act) is categorised as District Open Space and Recreation Park in the Types and Hierarchy explained in [Community Land Management Plans – An introduction](#).

### **Purpose for which the land is held**

The Council holds these lands for the primary purpose of providing connected open space, recreation and community facilities and services for community use and spaces that may be utilised from time to time for complementary business purposes. M J McNerney Reserve provides a complementary service to the adjoining shared use linear pathway bordering the railway. The Council also holds these lands for secondary purposes associated with addressing environmental, urban design, heritage and stormwater management needs (in no particular order of precedence).

### **Lease or Licence Permissions**

Council may grant or renew leases and/or licences over any part or parts of M J McNerney Reserve except Sec 1664. Any lease or licence granted or proposed to be granted must be consistent with the uses and purposes for which the Council holds the Reserve, and its objectives for the Reserve, as outlined in this Community Land Management Plan. They may be issued to various sporting, recreation, business, social or community clubs or groups for the use of open space or facilities within the Reserve whose activities cater for the local or broader community.

The Council may grant leases and licences of any length, and on any terms, to organisations established for sporting, recreation, social and/or community purposes over any land to which this Community Land Management Plan relates.

Council may issue a licence and/or permit to allow access over the Reserve, or to allow for an activity of a short-term nature. Uses of the land prohibited by Council by laws without approval or uses not identified in this management plan may be approved in relation to the Reserve for instances such as, but not limited to, access to adjoining properties during building construction work.

Council may issue an authorisation for commercial activities under Section 200 of the Local Government Act 1999. Authorised activities must be consistent with the purposes for which the Reserve is held. Approvals may be given on conditions the Council considers appropriate.

An example of activities Council considers relevant to the purposes of the Reserve when considering lease, licence, authorisation or permit requests are (without limitation)
