Fees & Charges Register

Explanatory Notes

Authority

The Local Government Act 1999 empowers a Council to impose fees and charges for various services that it provides, either as part of its statutory functions or on request.

Fees and charges other than those prescribed by any Act or Regulation in respect of a particular matter, may be fixed, varied or revoked by by-law or by resolution of Council. (Section 44(1) of the Local Government Act 1999 permits a Council to delegate some of these powers to a Committee or officers but at this stage Council has not taken up this prerogative to any significant degree).

Section 188(6) of the Act provides for the Council to keep a list of fees and charges imposed under this Section on public display at the principal office of the Council. This document is the record of fees and charges for public display for the City of Charles Sturt.

As per the new tax system (Goods and Services Tax Act 1999), GST at the rate determined by the Act will be charged on all fees and charges, except those given exemption under the Act.

The fees and charges register will identify all those charges that attract a Goods and Services Tax. All prices will be inclusive of a 10% GST where applicable. Bond monies will not attract GST unless those monies are not refunded due to breaches in relation to conditions of hire.

Definitions

Priority 4 “Low Risk”:

Business sectors that will normally handle only “low risk” foods, i.e. those that are unlikely to contain pathogenic organisms and will not support their growth, and will not introduce microbial, physical or chemical hazards to the foods they sell or handle. Typical examples of this type of premises are alcoholic beverage retailers, newsagents, chemists, variety stores and dry goods distributors.

In the event that the item record does not contain a replacement value the system will use a default RRP value that has been configured in the system. The system applies a replacement fee to a customer account when the item becomes either Assumed Lost or Long Overdue.

Lost or damaged processing fee

Processing fee – an administration fee that is automatically applied by the system with the replacement fee to cover the internal costs of processing the replacement copy. If the item is being replaced the processing fee is still payable.
