How to login and use lynda.com

This guide will help you to create your account with lynda.com for the first time and then how to access it thereafter.

How to access lynda.com for the first time:

This will give you this login screen:

2. Type in your library card number and library card Pin.

3. Next step is to verify if you already have an account with lynda.com.
If you already have an account (it doesn't need to be an active subscription), please use the link I've had an account.

Most SA library customers will never have had an account, so please go straight to step 3.2.

You will then see this screenshot:

3.1 Add in your username and your password for your existing account. This will link your account to your library card number.

If you don’t have an account with lynda.com, please use the link: No, I’ve never had an account.

3.2 Never had account with lynda.com
When you click on this link, it will create an empty profile.

To update your profile, hover over Hi, lynda.com member and choose My Profile.
4. Update all the fields in your profile.
Please note that none of the fields are required, but it is recommended that you add your name and email address to that you can get news and updates from lynda.com

5. Update your News + Email Options
To keep you updated on new course releases from lynda.com and other relevant news, it is recommended that you opt in to newsletters.

Choose from the drop down menu: Hi, [your name], News + Email options

Fill out the relevant information here and then subscribe. You can unsubscribe at any time.
6. How to log out
Once you are finished learning with lynda.com, choose the Log out from the drop down menu.
7. How to log in again to lynda.com

To log into lynda.com, use the link that was provided:

This will give you the same login screen as when you started. Add your library card number and pin and this will log you into lynda.com.

Happy learning!
