Charles Sturt is your local library

For more information please speak to our friendly staff, visit www.charlessturt.sa.gov.au or call 8408 1333.

Charles Sturt Library Service is part of the state wide 'one card' library network connecting with more than 130 public libraries across South Australia.

Your Charles Sturt Library Service 'one card'...

- ◆ enables you to borrow 100 items per card, including 20 DVDs and 20 CDs.
- ◆ opens the door for you to access over 130 libraries and millions of items through your local library.
- ◆ is the key to requesting up to 30 items.
- ◆ allows you to renew your loan periods twice if the item isn't requested. This means you could borrow a 4 week book for up to 12 weeks.
- ◆ sends you a reminder... an email or SMS will be sent to you 3 days before your items are due.

The 'one card' library network provides a greater range of services and benefits to you and enhances your borrowing experience.

What happens if you don't return an item on time?

You will receive a reminder, no fee, by SMS or email, you can choose which is best for you.

If you don't act on the reminder and the item remains overdue, the library that owns the book (remember, you will have access to any item from the 'one card' network) will send you a notice.

If the notice is issued by the Charles Sturt Library Service it will include:

- ◆ Replacement cost of the item/s
- ◆ \$5 processing fee for each item

If the items are returned after receiving the overdue notice from the Charles Sturt Library, the fees are cleared and there is no charge to you.

As we move to a more consistent system and rules across the 'one card' network please be aware local library borrowing rules apply. We recommend you familiarise yourself with the local rules in the library you physically borrow from.

Technology @ the Library

Want to know more about technology or your device?

The Library offers a variety of training opportunities for those wanting to help build their confidence to safely navigate a device and use it to connect online.
